

WINDOW CLEAN POWER RTU

Windshield Cleaner

WINDOW CLEAN POWER RTU is a ready to use windshield washer fluid ideal for use during very cold weather to keep your windscreen clean and frost free. Suitable for use all year round.

WINDOW CLEAN POWER RTU should be used undiluted, only then the windshield cleaner fluid gives a protection to -16 °C.

WINDOW CLEAN POWER RTU is an environmentally friendly formula with anti-freeze properties that excels in cleaning performance with a glare-free finish.

- Ready to use
- Clears windscreen of bugs, dirt and road grime
- Doesn't contain ammonia or toxic methanol
- Keeps washer jets free
- Helps to prevent windscreen from refreezing
- Use all year round and in very cold conditions
- Will not harm paint or surrounding trim
- Fresh citrus fragrance

WINDOW CLEAN POWER RTU Ready Mixed Screen Wash is a convenient formulation that can be poured straight into your washer bottle. It is not suitable for dilution, as its cleaning performance would be compromised.

Typical Analysis

Properties	Unit	Method	Typical Value
Colour			Blue
Density @20°C	kg/m ³	ASTM D1298	0.950
Freezing Point	°C	ASTM D1177	-16
pH		ASTM D1287	7.0
